南洋的故事

The Story of Nanyang

有人说，有海水的地方就有华人。在19世纪中叶南洋地区发生了一场有关移民和殖民主义的历史事件，这就是“南洋移民潮”。数以万计的南洋人开始离开自己的家乡，前往新的地方寻求生存机会。他们经过漫长而危险的旅程，开始了新的生活。下南洋的这条路也因为郑和而得名那么辉煌。

在19世纪中国人从“唐山”来到“南洋”，在这片土地落地生根。南洋移民潮是南洋历史上重要的一幕，它代表了南洋地区人民的勇气、毅力和不屈不挠的精神。这么多年过去了，东南亚国家的华人不仅保留了诸多中华传统美德和手艺，且饮食文化也是融合当地特色和中国的特色。而餐饮业创造出别具一格的美食文化。“大南洋”也为此展开了对我们特有的故事和文化的传承使命，用心挑选和设计出南洋特色风味的美食菜单。打造厚朴复古的环境，一起感受历史的心跳和文脉的传承与创新。欢迎来到“大南洋”咖啡馆。

In the early 15th century, a massive fleet led by the "Three Treasures Eunuch" Zheng He of the Ming Dynasty set sail from Lujia Port in Taicang, China. The fleet visited more than 30 countries and regions in Asia and Africa, taking a total of 28 years to complete its journey by sea. This is the world-renowned "Zheng He's Voyages to the West." Zheng He's voyages laying the groundwork for the later Nanyang immigration wave.

In the mid-19th century, a historical event related to immigration and colonialism occurred in the Nanyang region, and that was the "Nanyang immigration wave." Thousands of Nanyang people began leaving their homes and seeking opportunities in new places. They embarked on long and dangerous voyages and started new lives. The route to Nanyang also became glorious because of Zheng He.

In the 19th century, Chinese people came from "Tangshan" to "Nanyang" and settled in this land. The Nanyang immigration wave is an important chapter in Nanyang's history, representing the courage, perseverance, and indomitable spirit of the people in the region. After many years, the Chinese in Southeast Asian countries preserving many traditional Chinese virtues, also creating a distinctive food culture. "Great Nanyang" has taken on the mission of inheriting our unique stories and culture. We have carefully select and designed a menu which full of Nanyang's distinctive flavors, dining in a retro environment, let's feel the vibes of history and the inheritance and innovation of culture together. Welcome to "Great Nanyang" coffee house!
